### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| SECTION 4: First-aid measures                                  |   |
|--|---|
| 4.1. Description of first aid measures                         |   |
| First-aid measures general                                     | : Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice  |
| First-aid measures after inhalation                            | <ul><li>(show the label where possible).</li><li>Allow affected person to breathe fresh air. Allow the victim to rest.</li></ul>  |
| First-aid measures after skin contact                          | : Wash with plenty of soap and water. Wash contaminated clothing before reuse.  |
| First-aid measures after eye contact                           | : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present  |
| First sides source of the insection                            | and easy to do. Continue rinsing.   |
| First-aid measures after ingestion                             | : Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.  |
| 4.2. Most important symptoms and effects                       |   |
| Potential Adverse human health effects and<br>symptoms         | : Based on available data, the classification criteria are not met.   |
| Symptoms/effects after inhalation                              | <ul> <li>May cause cancer by inhalation. Danger of serious damage to health by prolonged exposure<br/>through inhalation.</li> </ul>  |
| Symptoms/effects after skin contact                            | : Causes skin irritation.   |
| Symptoms/effects after eye contact                             | : Causes eye irritation.  |
| 4.3. Immediate medical attention and speci                     | al treatment, if necessary  |
| No additional information available                            |   |
| SECTION 5: Fire-fighting measures                              |   |
| 5.1. Suitable (and unsuitable) extinguishing                   |   |
| Suitable extinguishing media<br>Unsuitable extinguishing media | <ul> <li>Use extinguishing media appropriate for surrounding fire.</li> <li>In case of fire, all extinguishing media allowed.</li> </ul>  |
| 5.2. Specific hazards arising from the chem                    |   |
| Fire hazard  | : Not flammable.  |
| 5.3. Special protective equipment and prec                     |   |
| Firefighting instructions                                      | : Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering   |
|  | environment.  |
| Protection during firefighting                                 | : Do not enter fire area without proper protective equipment, including respiratory protection.   |
| SECTION 6: Accidental release measure                          | res   |
| 6.1. Personal precautions, protective equip                    | ment and emergency procedures   |
| 6.1.1. For non-emergency personnel<br>Emergency procedures     | : Do not breathe dust.  |
| 6.1.2. For emergency responders Protective equipment           | : Equip cleanup crew with proper protection.  |
| Emergency procedures   | : Ventilate area.   |
| 6.2. Environmental precautions                                 |   |
| Prevent entry to sewers and public waters.                     |   |
| 6.3. Methods and material for containment                      | and cleaning up   |
| Methods for cleaning up  | : On land, sweep or shovel into suitable containers. Minimize generation of dust.   |
| 6.4. Reference to other sections                               |   |
| See Heading 8. Exposure controls and personal pro              | tection.  |
| SECTION 7: Handling and storage                                |   |
| 7.1. Precautions for safe handling                             |   |
| Precautions for safe handling                                  | : Do not handle until all safety precautions have been read and understood. Avoid raising dust.   |
| Hygiene measures   | <ul> <li>Avoid contact with skin and eyes. Do not breathe dust.</li> <li>Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work.</li> </ul> |
| 7.2. Conditions for safe storage, including                    |   |
| Storage conditions<br>Incompatible products                    | <ul> <li>Store this product in a dry location where it can be protected from the elements.</li> <li>Strong bases. Strong acids.</li> </ul>  |
| SECTION 8: Exposure controls/person                            |   |
| 8.1. Control parameters  |   |
| HM 28 LI CO (Mixture)  |   |
| No additional information available                            |   |
|  |   |

### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Calcium Aluminate Cement (65997-16-2)  |  |
|--|--|
| No additional information available  |  |
| cristobalite (14464-46-1)  |  |
| USA - ACGIH - Occupational Exposure Limits                                     |  |
| ACGIH OEL TWA  | 0.025 mg/m <sup>3</sup> respirable dust  |
| USA - OSHA - Occupational Exposure Limits                                      |  |
| OSHA PEL (TWA) [1]   | 0.05 mg/m <sup>3</sup> respirable dust   |
| quartz (14808-60-7)  |  |
| USA - ACGIH - Occupational Exposure Limits                                     |  |
| ACGIH OEL TWA  | 0.025 mg/m <sup>3</sup> (Silica-Crystalline Quartz; USA; Time-weighted average exposure limit 8 h; TLV - Adopted Value; Respirable fraction) |
| USA - OSHA - Occupational Exposure Limits                                      |  |
| Local name   | Silica, crystalline quartz, respirable dust  |
| OSHA PEL (TWA) [1]   | 0.05 mg/m <sup>3</sup> respirable dust   |
| Remark (OSHA)  | (3) See Table Z-3.   |
| 8.2. Appropriate engineering controls  |  |
| Appropriate engineering controls   | : Provide adequate ventilation to minimize dust concentrations.  |
| 8.3. Individual protection measures/Person<br>Personal protective equipment:   | nal protective equipment   |
| Avoid all unnecessary exposure.  |  |
| Hand protection:   |  |
| Wear protective gloves.  |  |
| Eye protection:  |  |
| Chemical goggles or safety glasses   |  |
| Skin and body protection:  |  |
| Wear suitable protective clothing  |  |
| Respiratory protection:  |  |
| Wear appropriate mask  |  |
| Other information:   |  |
| Do not eat, drink or smoke during use.<br>SECTION 9: Physical and chemical pro | operties   |
| 9.1. Information on basic physical and che                                     |  |
| Physical state   | : Solid  |
| Appearance   | : Granular mixture.  |
| Color  | : brown  |
| Odor<br>Odor threshold   | : earthy<br>: No data available  |
| pH   | : No data available  |
| Melting point  | : >2000 °F   |
| Freezing point   | : Not applicable   |
| Boiling point<br>Critical temperature  | : Not applicable<br>: Not applicable   |
| Flash point  | : Not applicable   |
| Relative evaporation rate (butyl acetate=1)                                    | No data available  |
| Flammability (solid, gas)  | : Non flammable.   |
| Vapor pressure<br>Relative vapor density at 20 °C                              | : No data available<br>: No data available   |
| Relative vapor density at 20 °C  | : No data available : $\approx 2.1$  |
| Solubility   | : Slightly soluble.  |
| Partition coefficient n-octanol/water (Log Pow)<br>Auto-ignition temperature   | : No data available<br>: Not applicable  |
